On August 16, 2024, Plaintiff's counsel, on behalf of and with consent of both parties, filed a letter directed to Magistrate Judge Krause providing a status update and outlining the proposed expert discovery schedule. (*see* ECF #48). The schedule is as follows: Plaintiff shall provide all expert reports and expert disclosure on or before October 15, 2024. *Id.* Defendant shall provide all expert report and expert disclosures on or before December 15, 2024. *Id.* Expert depositions shall be concluded on or before February 15, 2024. *Id.* Judge Krause endorsed the proposed expert discovery schedule, and set down a telephonic conference for November 14, 2024, to confirm that expert discovery is proceeding as scheduled. *Id.*

Presently, Your Honor has scheduled a telephonic case management conference on October 2, 2024. (*see* ECF #26). Defendant is requesting, with consent of Plaintiff's counsel, that the telephonic case management conference be adjourned until after the expert discovery deadlines, to ensure that the conference takes place after all discovery is complete.
